WM Food Steriliser has advanced automatic pressure control and cooling system to avoid inflation / fragile of product.

MODEL WM80L

Volume	80ℓ
Power	240V 9KW / 415V 12KW
Internal Size	400 x 650mm
Basket Size	380 x 170mm x 3 units
Net Weight	95kg
External Size	900 x 600 x 1000mm
Temperature Range	25 - 138°C
Pressure Range	0 - 0.24Mpa
Time Range	0 - 999min

MODEL WM150L

Volume	150ℓ
Power	415V 22KW
Internal Size	500 x 800mm
Basket Size	480 x 250mm x 3 units
Net Weight	120kg
External Size	1050 x 700 x 1200mm
Temperature Range	25 - 138°C
Pressure Range	0 - 0.24Mpa
Time Range	0 - 999min

MODEL WM300L

Volume	300ℓ
Power	415V 30KW
Internal Size	650 x 900mm
Basket Size	630 x 270mm x 3 units
Net Weight	175kg
External Size	1150 x 850 x 1350mm
Temperature Range	25 - 138°C
Pressure Range	0 - 0.24Mpa
Time Range	0 - 999min
